

The life of Joseph

What does it mean to live devoted to God? In a world full of distractions, challenges, and competing priorities, it can be easy for our Base Camp children to see following God as just something they do on Sundays. God invites us into something much deeper, calling us to love Him with all our heart, soul, and mind, putting Him first in every area of our lives. That's what devotion is – loving God our whole life!

Throughout Joseph's life, we see a powerful example of someone who was devoted to God through every season. From receiving big dreams, to facing betrayal, temptation, and years of waiting, Joseph continually chose to trust and honor God. While his circumstances changes his devotion to God remained the same.

In this series, we hope our children will discover that devotion isn't just something we say it's something we do. Through Joseph's story, they'll learn that a life devoted to God is built through everyday choices to trust Him, honor Him and put Him first – and when they do, God can use this devoted life to make a difference in the life of others.
