

# Knowing God

We love God's Word! The Adventure Kids team is passionate about seeing children discover more of God through His Word, the Bible. Week after week we encourage children to read their Bibles, spend time in God's Word, and discover the direction, encouragement, wisdom, and life He has for them.

But for many children, the Bible can feel overwhelming. Where to start, what to read, what it all means... Over this series, we'll help children discover that the Bible isn't just a collection of stories, but one big story that reveals who God is. As they learn practical tools for reading Scripture, our prayer is that they'll grow in confidence, encounter God and build a lifelong relationship with Him.

The aim of this series is to help every child grow in confidence reading the Bible so they can know God personally and respond to Him every day.
